A message from Mrs. James

As we come to the end of another half term, I wanted to take a moment to reflect on what has been a very busy, yet brilliant seven weeks!

From Children in Need to Parent/Carer workshops and from numerous Christmas performances including the Nativity, Christingle & Carol service to the school Christmas Fair & several amazing choir performances, it really has been a wonderful and jam-packed term.

As we approach Christmas, I hope you and your families take some time to enjoy some amazing memories together and I look forward to welcoming you all back in the new year!

We would like to take this opportunity to wish Miss. Penarski all the very best as she moves on to a new chapter in a new school. She takes on her dream of headteacher and we know she will shine in her new role.

Year 5/6 - Olivia

Year 6 - Thomas G

Music Star

Congratulations to Arthur in Reception for great participation in his music lesson!

Sports Star

Congratulations to Imogen in Year 6 for amazing netball coaching in P.E!

Attendance Matters

Your role as a parent carer is to ensure your child attends school daily and on time.

Those who turn up run the world!

Attending school every day = 100% attendance = Zero learning lost

Make every minute of learning count!

**You are the light that gives light to the world
Matthew 5:18**

Learning in Action

Year 2

This week the children in Year 2 have been investigating food chains and how animals and plants need each other in Science.

Year 2 have also discussed the importance of talking to others when feeling worried in their PSHE lesson.

They have been learning how to improve wellbeing by building strength, flexibility, coordination, and balance in yoga.

In DT, the children have been learning about mechanisms that use linkages and pivots to create a moving monster.

In maths, they have been learning how to use maths equipment to add two, 2-digit numbers.
