## Friends of St. John's Needs you!

As the majority of the current FOSJ volunteers are leaving us in July due to their children embarking on their high school journey, they are in **urgent** need of new members to take over the running of this fabulous group.

Without the extra help and support, FOSJ are in danger of folding this summer. This would be devastating for our children.

Can you spare some time to help run events and activities throughout the school year or even take over some of the running of the group?

If you can help, please contact the FOSJ team via email- [sjafosj@questruns.org.uk](mailto:sjafosj@questruns.org.uk)

# Learning in Action

## Year 1

During Spring term, Year 1 have had an exciting term of learning! In English, they have been looking at poetry and sentence structures. In Maths, the children have moved on from addition and subtraction up to 20, to place value to 50. Year 1 have been so excited to learn about places of locality in History and are looking at the history of our home town of Wigan. In PE, they have been looking at gymnastics and focusing on their technical skills. In phonics, the children have been learning lots of new sounds which they have been applying in their reading and writing.
