Weekly School News!

22nd March 2024

www.abramsaintjohns.wigan.sch.uk

We have reached the end of another half term and, albeit a very short term, our children have enjoyed some amazing experiences and produced some wonderful work. Our Year 3 children have continued to impress us in their swimming lessons, Year 2 have led a beautiful Easter service at Church and the whole school have celebrated World Book Day, displaying some fantastic costumes! Along with this, we have enjoyed the Friends of St. John's Easter Bingo event and a FOSJ Build-a-bear raffle!

I hope you enjoy the Easter break and find some time to celebrate as a family. I look forward to welcoming the children back to school on Monday 8th April, gates open at 8.40am.

Mrs. James

Learning in Action

Year 2

Year 2 have been investigating how pulse rate fluctuates before and after exercise in science. In maths, the children have been learning about different ways to measure objects and which measuring implement is the most efficient.

PE lessons have been based on cardio and strength and the variety of movements that our bodies can achieve when stretching properly. The children even had a go at the bleep test too! In computing, Year 2 have been learning how light affects an image and how to use different editing functions.
