

**You are the light that gives light to the world.  
Matthew 5:14**

## **Our Christian Vision**

At the heart of all we do lies a deep commitment to our school family, flourishing and learning together through all Jesus' teaching. Everyone belongs and we encourage each other to be our best, in a respectful, safe, nurturing and creative environment. Through friendship and God's love, we give each other hope and the courage to succeed. This is a place where we can be our unique selves and serve as a beacon of light to all our community.

Following in the footsteps of Christ, we live our lives through our values of **respect, friendship, trust and hope.**
